PRAISE FOR THE SELECTION SERIES: “A real page-turner. Romance, royalty, and revolution in a reality-show format serve Cass’ boldly rendered heroine well in her quest for justice and love.” (ALA Booklist)

“Reality T.V. meets dystopian fairy tale in Kiera Cass’s delightful debut. Charming, captivating, and filled with just the right amount of swoon!” (Kiersten White, New York Times bestselling author of the Paranormalcy trilogy)

“An engrossing tale reminiscent of Shannon Hale’s *Princess Academy* and Ally Condie’s *Matched*. Fairy-tale lovers will lose themselves in America’s alternate reality and wish that the next glamorous sequel were waiting for them.” (School Library Journal)

“Deliciously entertaining.” (Publishers Weekly)

“Cass’s immensely readable debut novel is a less drastic *Hunger Games*, with elaborate fashion and trappings. The fast-paced action will have readers gasping for the upcoming sequel.” (ALA Booklist)

“A cross between *The Hunger Games* (minus the bloodsport) and *The Bachelor* (minus the bloodsport), this trilogy launch is a lot of fun. Cass deftly builds the chemistry between America and Maxon, while stroking the embers of America’s first, forbidden love.” (Publishers Weekly) Présentation de l'éditeur

**The spectacular happily ever after of the #1 *New York Times* bestselling Selection series**Kiera Cass’s #1 *New York Times* bestselling Selection series has captured the hearts of readers from its very first page. Now the end of the journey is here. Prepare to be swept off your feet by *The Crown*—the wonderfully romantic fifth and final book in the Selection series. In *The Heir*, a new era dawned in the world of The Selection. Twenty years have passed since America Singer and Prince Maxon fell in love, and their daughter is the first princess to hold a Selection of her own. Eadlyn didn’t think she would find a real partner among the Selection’s thirty-five suitors, let alone true love. But sometimes the heart has a way of surprising you...and in *The Crown*, Eadlyn must make a choice that feels more difficult—and more important—than she ever expected. Biographie de l'auteur
